※Aston Martin Lagonda Limited is constantly seeking ways to improve the specification, production of its vehicles and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this list should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for sale of any particular vehicle. The contents of this list represent the Company's business as a whole. Performance results may vary depending on the specification of the particular vehicle, road and environmental conditions and driving style.

Note : V8 Vantage prices will be change June 2008 production onward.
